

Quarr Class

Spring 2

Welcome back to Spring term 2.

It has been a lovely sunny start to our term, the children have been making the most of the nice weather and spending lots of time outside. Our new climbing frame has been a huge hit with everyone too.

Events happening in school this half term:

Reading Cafe - Tuesday 3rd March, 2.30pm

Mother's Day Sale - Friday 13th March

Topic:

This half term we will be exploring lots of different topics. As it is World Book Day next week, we will begin by looking at some traditional tales. Then we will be looking at signs of spring and learning more about animals.

The children will plant some vegetables and flowers to look after in school.

We will finish with some Easter activities and some Easter themed baking.

Maths:

We will continue to compare numbers up to 8 and practice ordering numbers.

Then we will look at doubling numbers and sorting numbers into odds and evens.

We have already learned lots about 2D shapes and this half term we will look at some common 3D shapes.

Phonics:

In phonics, we will be recapping all of our phase 3 sounds and tricky words from last half term.

We also read lots of different types of longer words, including: words ending -ing, words with two or more digraphs and words ending -s/-es.

How can you help at home:

Keep checking our class Dojo page for updates on your child's learning and other important information.

Please listen to your child read every day and record this in their reading records. Please ensure reading books and reading records are in book bags every day so we can complete reading groups in school.

PE:

With the improving weather, we will be using our bikes and scooters again.

The children will also learn some skills needed to play some team games.
