

Binstead Primary School Curriculum Leaflet

Spring Term 1 - Year 2

Miss Spall, Mrs Sanders and Mrs Stafford

Welcome back!

Happy New Year and welcome back to the start of the Spring Term. I hope you have all had a wonderful Christmas break.

Our book for English this half term is The Bear and The Piano. The children have already enjoyed listening to some different piano music and making some predictions about what will happen in our story.

The children have already got off to a brilliant start with their ocarina lessons.

Year 2 Spring Term 1 2025

Mathematics

We will be continuing our addition and subtraction unit this half term. We will then be learning to tell the time to 15 minute intervals.

We will also revisit fractions and multiplication and division.

Science

We will be learning about Animals including Humans. We will focus on the basic needs for survival for animals and humans. The children will look at the importance of exercise, being hygienic and eating a balanced diet.

English

We are continuing our daily spelling lessons. Our book this term is The Bear and The Piano. We will be using the book to write a Newspaper report of the Bear's concert. Then the children will write their own bravery narrative.

How can you help at home?

Please continue to read with your children at home as often as possible to increase their fluency and understanding of the text. Asking the children to tell the time will help support their learning in Maths.

Geography

Our topic this half term is New York. We will be looking at the location, weather and human and physical features of New York whilst comparing it to Ryde.

Art

We will be designing and creating Victorian tiles using clay this half term.

PE

PE will be on Wednesday and Friday with a focus on dance and hockey skills.
