Binstead Primary School Curriculum Leaflet

Summer 1

In English, we are focusing on the Vikings. We have been busy gathering lots of information to use in a non-chronological report.

We have started practising for the Year 4 Multiplication Check which is in June. It is the same format as 'Sound Check' on TTRS. The more the children practise their timestables at home the easier they will find this. Timestable fluency also helps them so much with their Maths work.

Thank you for you for your support!

Year 4 Summer Term 1 2024

<u>English</u>

Writing based on our history topic of The Vikings

We will be doing whole class reading sessions 3 times a week as well as spelling and handwriting.

Mathematics

Addition and Subtraction: problem solving and statistics

Measurement- capacity

Multiplication and Division: multiplying 2 and 3 digit numbers by a single digit, recall of multiplication facts, problem solving

Daily timestable practise

<u>Science</u>

We will be continuing our learning about sound then moving onto our animal topic. We will focus on food chains, classification, keys and how changes to the environment effect animals.

Information for Parents

PE will be on a Tuesday and Friday. On Tuesdays, we will be outside so please make sure your child has the appropriate clothing for the weather.

Our topic this half term...

We will be continuing to learn about the Vikings and then moving onto learning about Peru with a focus on mountains.

In Art we will be making Viking pendants out of clay.

| | How can you help at home? | |
|---|---------------------------------------|--|
