Woodside Class, Year 4

Mr Woodhouse Mrs Thearle

Summer Term I 2026

This is the final term of the year, I have really enjoyed teaching this class and we intend to make the most of our final months in year 4.

This Half Term we are developing our historian skills to decide if we would have preferred to live in the Anglo-Saxon Britain age or the Vikings in Britain age. This work will be supported by our fantastic trip.

We are developing our writing skills in English where we aim to write letters and diaries to and as the main character in "Arthur and the Golden Rope."

In maths we will be focusing on developing our multiplication and division skills where we will be practising applying our numbers facts to solve problems. This half term we will also be consolidating a range of other skills we have covered during year 4.

Please continue to support the use of Times Table Rockstars as we head towards year 5. Please make an appointment to see me if your child cannot access TTRS at home as the National Check is fast approaching. Please also continue to ensure your child is reading each night to ensure they continue to develop their skills.

Many thanks, Mr Woodhouse & Mrs Thearle

PE

With the weather improving, please ensure children have warm kit to allow us to make the most of outdoor PE. We will be developing our cricket skills along with preparing for the summer dance.

Mathematics

This half-term we will be developing our understanding of multiplication and division.

Please continue to work on times tables at home as much as possible.

PSHE

This half term, we are investigating ways to stay healthy.

RE We will be exploring the idea of devotion and Hindu worship.

Year 4 Summer Term I 2026

Science

We will be exploring the habitats of living beings. Our aim is to investigate a variety of food chains linked to the habitats and challenge ourselves to find ways to categorise different living things.

ART: In Art, we will be aiming to produce a Viking style pendant using clay modelling techniques which will be inspired by our trip.

History

This half-term we will be continuing our research into the Saxon and Vikings way of life. We are trying to find out which age we would have preferred to live in as part of our historical enquiry skills.

English

This half-term we are continuing to use the book "Arthur and the Golden Rope". We are developing our writing skills by writing to and as the main character in the book. We will be focusing on enhancing our range of sentences through the use of conjunctions and ensuring that we apply correct punctuation.

PLEASE ENSURE YOUR CHILD IS READING AT HOME. PLEASE MAKE TIME TO TALK TO YOUR CHILD ABOUT THE READING BOOK DURING OR AFTER THEIR READING TIME.
