

2nd February 2024

Dear Families,

It has been a busy week for Team Binstead. Year 1 and Year 5 had a fantastic time learning about planets, space and the universe in which we live in the Wonderdome. This is a giant inflatable dome that is set up in the hall and is dark inside, with space projected onto the inside walls to turn it into a mobile planetarium.

Year 4 have been learning about changing states of matter with an experiment to see how long it takes different types of chocolate to melt. The children came up with some fantastic ideas as to why their results were as they were, and some questions to find out as a result.

In Sporting news, this week our Year 5/6 girls Football team played a fantastic match at home against The Bay. The girls played a really good match as a team but sadly lost at the end. We are very proud of their teamwork and resilience.

Also this week our Year 3/4 Football team played an away match against Ryde School. Whilst they did not take home the win in the end, the team did a great job of battling through a challenging match and displaying great resilience to keep going.

This afternoon our Year 5 and 6 Indoor athletics team are representing the school at Ryde School. We wish them the very best of luck! They have been practising really hard in their own breaktimes to improve their skills.

Well done to all of Team Binstead's Sporting teams this week.

A HUGE thank you goes out to everyone involved in the School Discos last night! Thank you to everyone who supported by buying tickets, the Friends for organising everything and running the disco and to staff for giving their own time voluntarily to ensure the children all have a wonderful and safe time. It was lovely to see everyone having such a lovely time. A great Team Binstead event. Well done everyone!

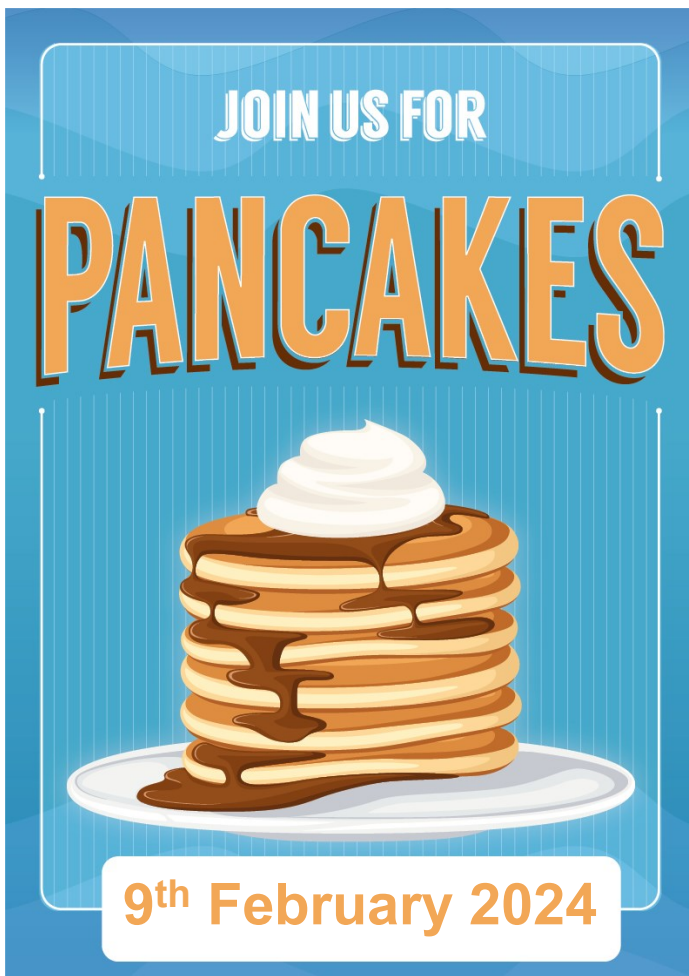

Clubs letters have been sent out for next half term today and it's also on Class Dojo. Clubs will go live at 6pm on Monday 5th Feb.

Have a wonderful weekend everyone and I look forward to another fantastic Team Binstead week for the last week of half term.

Mrs Chessell

Week 2 menu	Monday	Tuesday	Wednesday	Thursday	Friday
