Part A: Pupil premium strategy plan

Statement of intent

Children at Binstead Primary will all have the opportunity to thrive both emotionally and educationally. We will ensure that the money the school receives to support children who access the Pupil Premium will be used to close both the educational, social and emotional gaps in the children's learning.

We know that to support our disadvantaged pupils, not all children will need the same support in the same way, and it is our duty to ensure that the children's needs are identified in a timely manner and support given where possible.

Our building blocks for tackling educational disadvantage;

Whole-school ethos of attainment for all

There is a culture of high expectations for all.

There is a belief that all disadvantaged pupils are capable of overcoming their personal barriers to succeed.

Disadvantaged pupils and their families are held in high regard

Leaders, teachers and other adults understand their role within the school's strategy

Addressing behaviour and attendance

A strong emphasis is placed on developing positive behaviours for learning.

The school responds rapidly to ensure behaviour management strategies are effective for pupils that need support.

Attendance is monitored. Strategies, where applicable, are implemented to improve absence or lateness to maximise opportunities for learning in school.

Persistent absence is rigorously challenged and proactive strategies to positively engage families are pursued.

High quality teaching for all

The school places a strong emphasis on ensuring all disadvantaged pupils receive high quality teaching; responsive on-going formative assessment is essential to ensure disadvantaged pupils make strong progress.

Teachers are committed to successfully engage with the disadvantaged pupils who are less successful learners.

Professional development is focused on securing strong subject knowledge, questioning, feedback, metacognition and self-regulation.

Interventions are additional to the entitlement to high quality teaching; class teachers retain accountability for pupil achievement.

Meeting individual learning needs

There is a strong understanding of the barriers to learning and how these barriers present in school.

Personalised profiles are used to ensure barriers are overcome so that disadvantaged pupils can benefit from enrichment, emotional well-being support and interventions that enable them to succeed in their learning across a wide range of subjects.

Learning gaps and misconceptions are identified and addressed so that pupils can secure learning domains that will enable them to catch up to meet age related expectations or increasingly work at greater depth.

Transition processes for disadvantaged pupils are carefully planned and implemented

Data-driven

The progress of disadvantaged pupils is discussed at all pupil progress meetings and at key assessment milestones. Actions are identified, implemented and regularly reviewed within each assessment phase.

Accelerated progress must lead to higher attainment within an academic year and key stages.

Clear, responsive leadership

The Pupil Premium Lead for the school, and the Governor responsible for Pupil Premium meet regularly to review the Action Plan.

Self-evaluation is rigorous and honest.

The effectiveness of the strategy is reviewed termly and is based on internal analysis, research and best practice.

Leaders apply robust quality assurance processes and clear success criteria.

Deploying staff effectively

Both teachers and support staff are deployed flexibly in response to the changing learning needs of disadvantaged pupils.

Resources are targeted at pupils at risk of underachievement in terms of low and high attainment.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Difficulties for some children in processing information in whole class teaching.
2	Catch up and closing gaps in learning, particularly for those children who did not attend school during lockdown.
3	In some classes no additional adults to support in the class.
4	Facilitating flexible teaching opportunities to enable QFT in all classrooms.
5	Large group sizes in EYFS – additional TA support enabling early intervention and speech and language support where needed.
6	Emotional/Friendship challenges including resilience.
7	Ensuring attendance is good for all children.
8	Financial barriers to being able to take part in enrichment activities.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<p>1) Additional adult support in class to facilitate smaller groups sizes, flexible teaching and targeted intervention where needed.</p>	<p>All children will benefit from adult support when needed.</p> <p>Interventions will be able to offer targeted support for children.</p> <p>Children will show progress towards closing academic gaps as a result of the pandemic.</p> <p>Milestone Data will show progress across all year groups benefiting from additional staff/interventions.</p>
<p>2) Milestone data for all children will show accelerated progress towards 'catching up' with evidence of gaps closing in learning.</p>	<p>Children will show progress towards closing academic gaps as a result of the pandemic.</p> <p>Milestone Data will show progress across all year groups benefiting from additional staff/interventions.</p>
<p>3) ELSA support and Play Therapy will be provided for children who require further support with their emotional wellbeing.</p>	<p>Start and end reports will show progress against individual targets and intentions for children.</p> <p>Children's emotional resilience will be supported and will show in reduced conflict both in the classroom and on the playground.</p> <p>Parents will report an improvement in children's emotional wellbeing when compared with before the support.</p>
<p>4) Attendance will remain above National figures and in line with our school set targets</p> <p>Children will be supported to access Early Birds where appropriate.</p>	<p>Children and families will have targeted support where appropriate and required to support and improve attendance.</p> <p>Early Help will support families in need of further help.</p> <p>Attendance meetings (SAM meetings) will reduce as attendance improves.</p> <p>Attendance figures will show an improvement over the year at milestones.</p>
<p>5) Children will have access to all areas of school life without disadvantage</p>	<p>All children will have the opportunity to access clubs, enrichment activities and residential trips.</p> <p>Financial support will be provided for children where appropriate and needed.</p> <p>No child will miss out on opportunities due to financial reasons.</p> <p>All children will benefit from accessing enrichment opportunities to offer a broad and</p>

	balanced curriculum and enrich their lives further.
6) Commission Forest Schools	Children will have opportunities outside of the classroom to develop socially, emotionally, and improve their resilience in a controlled environment with calculated risk.
