

Dear Families,

This week has flown by and it has been so lovely to have the sunshine all week too.

Apologies for the Buzz not making it out last week - I have condensed last week's information into this one so you don't miss out.

Tonight at 6pm we will be opening the booking system for Parent's evenings. Please see below for the days and times for your child/ren's class. At this time it will again be virtual for everyone's safety. We will look forward to discussing your child's progress with you. We will send you an invite once everyone has booked, you will be able to use the link to access the Google Meet at the right time. For the last parent's evening, many of the emails with the link ended up in junk mailboxes, so always have a look here before you give us a call (also make sure we have the right email address for you too).

Our Year 3 and Year 5 children have been enjoying their music lessons over the last few weeks. Year 3 are learning to play the Ukulele, and Year 5 are learning the Djembe and Samba. It has been lovely to get some sort of normality back into school and hearing music around the place has been wonderful.

A few weeks ago in the Buzz, I shared a link to a travel survey from Ross Edmunds from Shift It. Ross has asked me to share this link again to get some more responses. This will help us to put a plan together to keep our children safer on their journeys to and from school, so please do take a look at the survey, it will only take a couple of minutes. Thank you.

You can find the survey by clicking on the following link:

Remember it's a Bank Holiday on Monday so school is closed. I hope you all have a wonderful long weekend (fingers crossed for more of this sunshine).

Thank you for your continued support,

Mrs Chessell

A strong reminder that if anyone in your family or support bubble displays ANY of the symptoms of Covid - 19, the whole family should isolate until either a negative test result comes back, or after the self - isolation period as recommended by Public Health. Thank you for your cooperation with this, it is by everyone following these national guidelines that we will help to keep our school community safe.

## Afternoon Pick-up

When waiting to enter the school gate at the end of the day, could we ask that you please encourage children to remain as quiet as possible. With the windows needing to be open for ventilation, it can be quite distracting for our older year groups who work until 3pm when it is noisy outside their classrooms. Thank you for your help with this.

Our best advice would be to not arrive too early at the gate prior to them opening at 2.40pm.
