

Friday 10th September 2021

Dear Families,

It has been so lovely to have been back in the building this week seeing all of you and the children again. I am so proud of how well the children have settled back into their routines and learning already.

This week our Year 3s started their swimming lessons. The first week is always a different one where they get them into the right groups and get them used to the rules and routines of the swimming pool. Our children were fantastic and a credit to us all. I look forward to hearing about their progress.

As we return to a more normal way of being able to run the school, can I please remind you all that whilst Class Dojo is there for Teachers and school staff to send you messages or for us to post whole school information, it is not the best way for you to get important information back to the teaching teams as they do not have time during the day to check for any messages.

If you have information you need us to know, please either phone the school office, or email them (contactus@binsteadpri.co.uk) and they will pass on any information to the teaching teams. I wouldn't want us to miss important information because it has been lost in a Dojo message that hasn't been read. Thank you.

Today I have sent a separate letter regarding Covid cases in school. Please ensure you have had sight of this letter so you know what we will do going forwards. As I have said, we were instructed to leave things to NHS Test and Trace, but unfortunately it seems they are not as proactive as we would like, and close contacts are not being informed. Please do see the letter for more information.

For Key Stage Two this year, we have bought into an online system called Accelerated Reader. Once the children are all set up, we will send more information as to how they can access this at home. This is instead of Reading Eggs and I believe will be a great programme for our children.

Have a wonderful weekend everyone,

Mrs Chessell

Next week's menu	Monday	Tuesday	Wednesday	Thursday	Friday
Option 1	Macaroni Cheese	Garlicky Chicken	Roast Pork	Meatballs	Fish fingers
