BINSTEAD BUZZ

Dear Families,

It has been another busy week here at Binstead, and we have been enjoying the (mostly) cold, crisp and sunny weather. Whilst it is so cold, on PE days, please make sure your child is wearing a tracksuit suitable for them to do PE outside if necessary. Our uniform is either the school tracksuit. or if there is not the appropriate size for your child, a navy blue tracksuit bottoms and top. Tops must have no hood please, and no leggings. Thank you.

This week our children in EYFS have been very excited at the hatching of the egg that appeared in their classroom. There is still much speculation as to what is inside, and I know they are looking forward to looking after whatever it is that hatches.

Year 1 have continued to look for signs of seasonal change, and this week has been much more typical of winter weather. They have been investigating how cold it is, and whether water turns to ice over night, and how quickly it melts (or doesn't melt) during the day.

Year 5 are looking forward to their Egyptian workshop in school next week.

Again this week the guidance regarding any Covid restrictions has changed. From next Thursday (27th) we will no longer be required to wear masks in communal areas in school. As before when masks were no longer required, you are welcome to use your own judgement as to whether or not you wear one whilst dropping off and picking up. I will of course, continue to inform you of any cases in your child's class, or if we have a rise in cases across the school, so you can use this information to inform your decision.

The guidance remains, that if anyone has symptoms of Covid, they are to book a PCR test and isolate whilst waiting for the result.

Have a great weekend everyone,

Mrs Chessell
