

Curriculum Leaflet

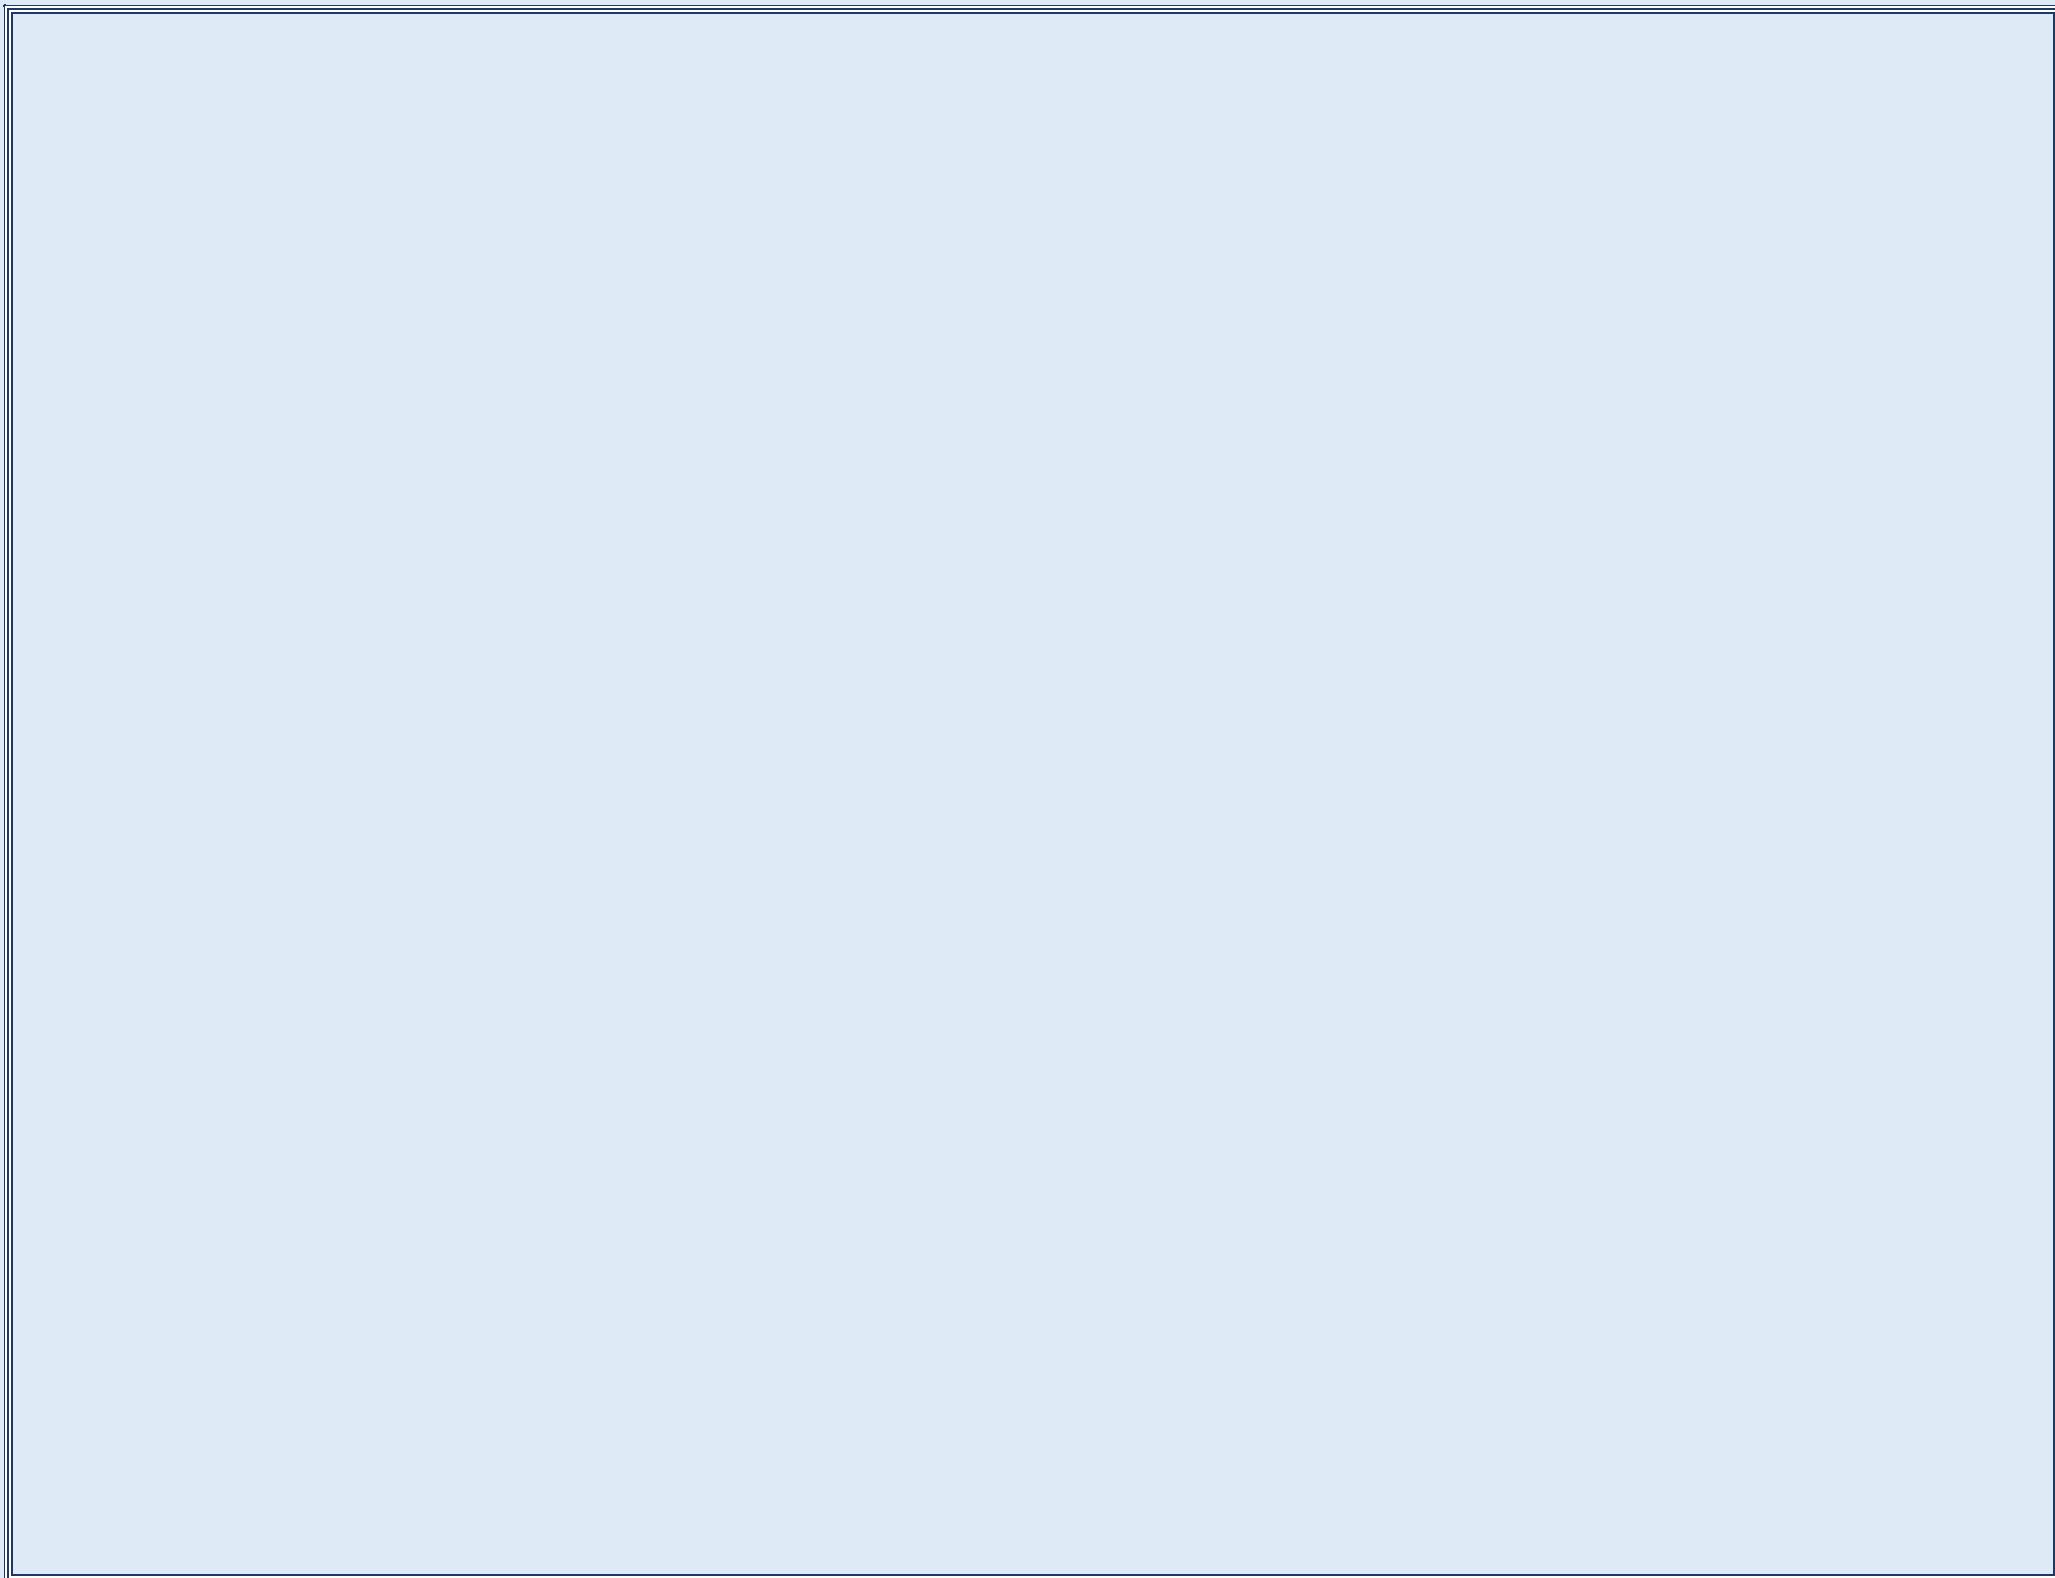

Spring Term 1

Welcome back!

I hope you all had a lovely Christmas!

In English, we are using the book *Tell Me A Dragon* to help us invent our own dragon and write a report about it. Continuing the dragon theme, we will be writing instructions on how to take care of a dragon

Year 3 Spring Term 1

English

Activities based on Dragons. We will be writing a report about our own dragon and instructions about how to take care of them.

We will be doing whole class reading sessions 3 times a week as well as spelling and handwriting.

Mathematics

Fractions- adding and subtracting fractions, finding equivalent fractions, ordering fractions, problem solving

Geometry- recognising the link between angles and turns

Addition and subtraction- mental methods, estimating and using the inverse to check answers

Science

We will be learning about how to stay strong and healthy. We will be learning about food nutrition, the skeletal system, muscles and Marie Curie.

Information for Parents

Welcome back!

Inside PE will be on a Wednesday.

Outside PE will be on a Thursday.

How can you help at home?

Listen to your child read.

Practise timetables

If children do any work at home, I would love to see it. They get table points for their hard work.

Trips

No trip is planned for this half term

We will continue learning about Ryde and move onto learn about Italy.

We will be using maps to identify countries and key features of Italy, finding out about Naples and how it compares to the IOW and learning about the key features of a volcano.

In DT, we will be making and evaluating our own pasta sauces.

PE

Our focuses will be dance and hockey
